

LANGLEY DENTAL PRACTICE

Do you want straighter teeth in just 6 months or less?

Langley Dental Practice offers two systems **Quick Straight Teeth™** and **Six Month Smiles™**

Please ask your dentist or reception for details

Ask about **Quick Straight Teeth™** an affordable and gentle way to straighten your teeth quickly.

Quick Straight Teeth™ is the most affordable, comfortable and effective way of straightening your teeth to give you a perfect smile. The invisible braces work by only concentrating on the front 6 to 8 teeth. Quick Straight Teeth™ braces for teeth can correct mild to moderate problems quickly, making it more affordable than similar options and more agreeable to patients to have straighter teeth and affordable braces cost.

Getting a beautiful straight smile is fast!
Treatments for teeth straightening take between 4 and 24 weeks depending on complexity.

Quick Straight Teeth

With **SIX MONTH SMILES®** you can have straight teeth using clear braces in just 6 months!

Are you unhappy with your smile? Do you hide your teeth or cover your smile when you laugh? Six Month Smiles® is for adults with crooked, spaced, or misaligned teeth. Using clear braces to gently straighten and align teeth, the average time most people wear braces is just six months.

Forget about your crooked teeth forever! Six Month Smiles® has helped thousands of people get the smile they've always wanted. Ask at reception today, and find out how you can get your most beautiful smile in just six months!

SIX MONTH SMILES®
Straight Teeth. Less Time. Clear Braces.

Lucid Lok® clear brackets and tooth coloured wires. Unnoticeable at the surface and engineered for quick results to deliver an attractive and confident smile.
